## Life Management Study

**Life Management Study classes begin in early January, early April and early September of each year.**

The purpose of the Life Management Study (LMS) is to train people to discern and appropriate more and more of God's plan and to experience the increasing freedom from anxiety and the peace that passes understanding; to conquer over commitment, procrastination and chronic tardiness.

The study consists of 13 two-hour sessions and will meet in location(s) and at time(s) suitable to participants. Participants should plan to meet weekly. Regular attendance and completion of daily homework is required. There will also be two planned socials so students and their families can get acquainted with each other outside the classroom setting.

Materials include a student manual, workbook, leader's guide and a copy of Ken Smith's book, It's About Time. Participants' cost is \$95 (or \$75.00 for groups of four (4) or more). These materials are available only to LMS participants. Certificates will be awarded to all who complete the course. A full satisfaction money back guarantee is made to all who successfully complete the course. Partial scholarships are available.

Future leaders will be selected from those who fulfill course requirements. Attending an LMS is an excellent opportunity, not only to grow in your spiritual maturity, but to begin to qualify as an LMS leader who can help others grow in their relationships with the Lord.

If you wish to be part of the Life Management Study, please fill in the form below or call the CSM office (703-591-5000). Space is limited. Paid registrations will have preference on a first come, first served basis.
